

Step 01

Set an Intention

Set an intention and focus on the next possible step that you will take. Imagine yourself with the goal completed and visualize yourself enjoying the outcome.

Step 02

Connect to Source

Connect to source energy. Ask for guidance and support and be ready to receive it. Expect answers to arrive from unexpected places and a higher power to support your highest good.

FLFE Magnetizing Process

A Manifestation Tool

The FLFE Magnetizing Process is a co-creative approach to personal evolution that harnesses the power of a high-consciousness field to manifest one's ideal life. Step 05

Step 06

Close with Intent

Intentionally end the session and

let go of the requests that you've

made knowing that solutions are

already on the way.

Express Gratitude

Express gratitude for the support you've received and for the completion of your goal. Bask in the joy of completion and in the receiving of your manifestation.

Step 04

11:11

Watch for Signs

Ask to be shown the support of a higher power and that your positive intent be reflected back to you. Be ready to receive signs of support.

Step 03

Clear Obstacles

Ask for all things past, present and future that may block your highest good to be released and removed.
